

*Thank you for choosing Henning's to set your holiday table.*

*Enclosed are a few tips to help you heat and serve your meal. While all of our selections are microwave friendly, we have offered suggestions for best results. Keep in mind that the following times are estimates; microwave ovens, stove tops and ovens vary. A thermometer is an invaluable tool when cooking and heating food, to ensure that all items are fully heated to an internal temperature of 165 degrees Fahrenheit.*

*We look forward to setting another table for you in the future. Enjoy.*

*Sliced Meats with Gravy or AuJus*
